Tourist Development Council
Brevard County, Florida

Tourist Tax Data and Statistics Report for month ending: May 31, 2016

Please find included herein the historical "Tourist Tax Data and Statistics Report" for the month ending May 31, 2016. The data in this report is grouped in accordance with guidelines as prescribed in Florida Statutes.

Please be advised of the following which affect the data grouping and reporting:

1. All information is unaudited.
2. "Gross Receipts" represents Tourist Tax Collection figures reported to the Tourist Development Office from the Tax Collector's Office and all statistics are based on tax returns submitted and paid. Statistics are subject to change due to subsequent collections and future enforcement action.
3. The geographical definition of current zones may be modified for compliance in future reporting.
4. Recent modifications to data reporting systems and regulations apply to data that is generated by our tax collection process and related systems. Third party data which may be obtained by us to provide enhanced statistics are outside such regulation, such as the STR report.
5. Please note the following for types of properties, which have been grouped for better organization and representation of the data:
 - Hotel / Motel represents all Hotels and Motels
 - Condos represents all Condominiums and Apartments
 - Vacation Rentals represents all Vacation Rentals, Single Family, Interval Owner, Cottage, Duplex, Mobile Home Park, Room, Rooming House, and Other
 - RV Park / Campground represents all RV Parks and Campgrounds

If I can be of further assistance to the Council, or should you wish to discuss this report further, please do not hesitate to contact me.
